Practice Player & Payment Policy

Martha's Vineyard United will allow a reduced fee in cases where an M.V. United (travel) player cannot participate in league games due to lack of roster space, a player's scheduling conflict or other issues.

The player will need to be registered as if he / she was playing games.

Because M.V. United incurs expense and carries insurance coverage even if players are not playing games, we require a payment of 1/3 of the full M.V. United (travel) fee, due upon registration.

Payment plans are not allowed for practice players only.

If a player is able to participate in games, the remaining payment (2/3) is due in full before the player will be rostered, issued a pass card and allowed to play in a game.

Participation in the winter indoor season only requires registration if participating in the upcoming spring season and payment of \$50.
